

Ryan (Joseph) Giggs is one of the most successful British soccer players and an all-time legend. Until 2014, Giggs played on the pitch for the world-famous club Manchester United. The exceptional soccer player has remained faithful to the club, however, and only switched to the coach's bench – as assistant coach and coach. In 2016, Ryan Giggs finally took off Man Utd's jersey for good and left the club. „I'm immensely proud, honoured and fortunate to have represented the biggest club in the world 963 times and Wales 64 times“, said the record player of British Soccer on the occasion of his farewell. Since the beginning of 2018, he has been the coach of the Welsh National Team.
